

# STORIES OF FOOD & WINE

---

The Cape Winelands is one of the most famous wine producing regions in the world, and we're fortunate to be in the heart of it. Our extensive wine list is well represented by producers from the best-known wine routes – Paarl, Stellenbosch, Franschhoek and Swartland. We've also found excellent wines from a little further afield, including Elgin, Stanford, Cape Agulhas, Hemel- & -Aarde Valley and – for bubbly – France. Our selection includes wines in the Old and New World styles and, with a choice of wines of every varietal, there should be something to suit all palates. Whether you're a traditional or experimental wine drinker, we're happy to recommend something for you to pair with your meal. If you'd like to consult Platter's South African Wine Guide, your waitron will be happy to bring you a copy.

Vintages are also available on an insert at the back of menu.

# LOCAL IS LEGENDARY

---

Both visitors and regulars are partial to wines that are from the region,  
and we're happy to oblige.

We especially like to support the estates that are closest to home, so  
almost a third of the wines on our list are from Paarl. We think all of them  
are superb. But then we are a little biased.
